

FTA-36 SHOWN

ANVER's FTA-Series fork truck adapters convert many of our lifting frames and pad attachments for use with a forklift. Fork truck adapters can be added to most standard lifters. Combined with our cord-free BAE1-GEN2 or VPF-57-DC series battery powered vacuum generators, they provide an excellent self-contained lifting solution.

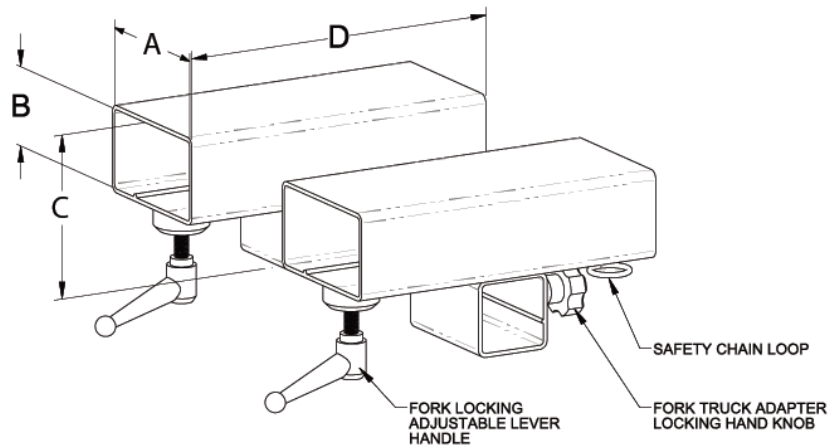

Additional Features:

- Up to 6000 lb (2722 kg) lifting capacity per pair.
- Two-piece design easily installs on new or existing equipment without full disassembly. These fork adapters can be mounted and then removed from lifters as needed.
- 3 position fork sheath can be adjusted to handle a range of forks commonly used in industry.
- Safety chain loop to secure lifter to the forklift. (*Safety chain not included)
- A ratcheting locking hand knob is used to clamp the adapter to the forks.
- Available for 3"x3" (77mm x 77mm) & 3"x6" (77mm x 153mm) standard Anver Vacuum lift frame beams.
- All FTA-Series fork truck adapters are sold and designed to be used in pairs.

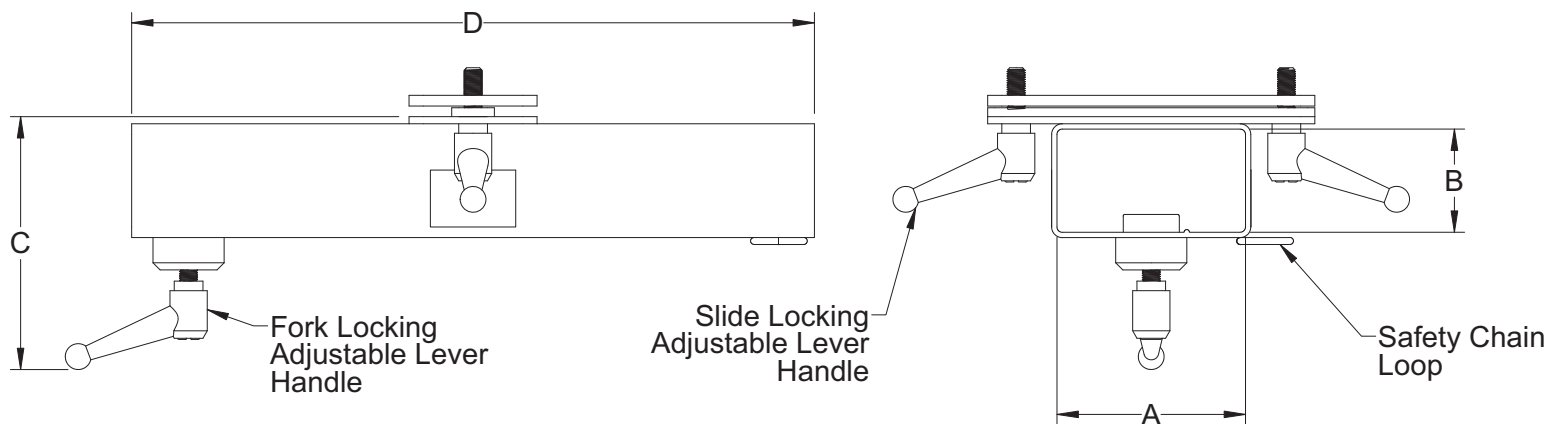

Model Number	Adapter Capacity Per Pair lb. (kg)	Unit Weight Per Pair lb. (kg)	Beam Size in. (mm)	A x B Fork Sheath Size in. (mm) [3 Positions]	C Height in. (mm) [3 Positions]	D Sheath Length in. (mm)
FTA-33 (72300322)	6000 (2722)	85 (39)	3 x 3 (77 x 77)	6.69 x 1.13 (169.8 x 28.5)	5.75 (146)	19.2 (489)
				6.69 x 1.88 (169.8 x 47.6)	6.00 (153)	
				6.69 x 2.63 (169.8 x 66.7)	6.75 (172)	
FTA-36 (72300323)	6000 (2722)	87 (39)	3 x 6 (77 x 153)	6.69 x 1.13 (169.8 x 28.5)	8.25 (210)	19.2 (489)
				6.69 x 1.88 (169.8 x 47.6)	9.00 (229)	
				6.69 x 2.63 (169.8 x 66.7)	9.75 (248)	

Fork Lift Truck Mounting Brackets for Large Heavy Duty Beams

Model Number	Adapter Capacity Per Pair lb. (kg)	Unit Weight Per Pair lb. (kg)	Beam Size in. (mm)	A x B Fork Sheath Size in. (mm)	C Max. Height in. (mm)	D Sheath Length in. (mm)
FTA-6-57 (72300060)	7500 (3402)	82 (38)	5 x 7 (127 x 177)	6.63 x 3.63 (168 x 92)	12 (305)	16 (407)

Fork Lift Truck Mounting Brackets for Large GF-Series Lifters

Model Number	Unit Weight Per Pair lb. (kg)	Compatible With	A x B Fork Sheath Size in. (mm)	C Max. Height in. (mm)	D Sheath Length in. (mm)
72300342	86 (39)	GF-Series Lifters	6.63 x 3.63 (168 x 92)	9.83 (250)	24 (610)
