

Easily add radio controls to your vacuum stations with Anver Radio Control Kits. The Anver Radio Control Kit allows the VB lifters to remotely attach/release for greater productivity as well as eliminate the need to walk over to manually turn the vacuum station off/on. The Anver Radio Control Kit allows the VT lifter operator to turn off/on the vacuum stations from afar. This helps with productivity by eliminating the need to walk over to manually turn the vacuum station off/on. (VT lifter attach/release is still done with the handle)

- Pre-wired for plug and play installation.
- Twist-lock plugs for secure connections.
- Safety interlock prevents accidental operation.
- Two buttons required for power on/off.
- Worldwide accepted 2.4GHz frequency.
- Spare transmitters can be paired in the field.
- Battery indicator LED on transmitter.

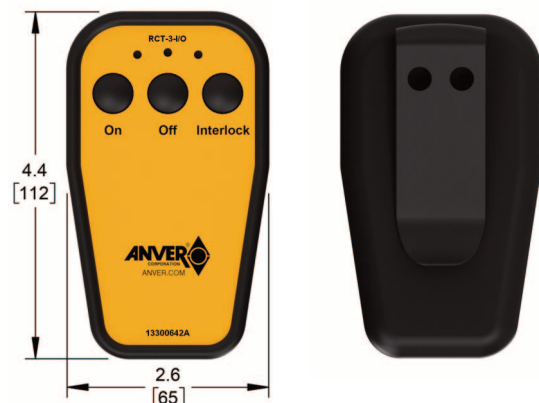

Remote Mounted Receiver Specifications

Operating Frequency	2.4 GHz
Maximum Range (Line of Sight)	1600 FT. (487M)
Available Voltages	110V - 600V (50/60hz)
Temperature Range	-4 to +130 F (-20 to +55 C)
Safety Level	CAT3, PLd
Receiver Protection Rating	IP66

Handheld Transmitter Specifications

Operating Frequency	2.4 GHz
Maximum Range (Line of Sight)	1600 FT. (487M)
Temperature Range	-4 to +130 F (-20 to +55 C)
Protection Rating	IP67
Batteries Required	2x 1.5V AAA LR03

Product Image	Part No.	Description	Receptacle Style
	RCR-116	Receiver, Starter Enclosure, Cable Connector Assembly, 115V/1PH/60Hz	L5-20
	RCR-216	Receiver, Starter Enclosure, Cable Connector Assembly, 220V/1PH/60Hz	L6-20
	RCR-236	Receiver, Starter Enclosure, Cable Connector Assembly, 230V/3PH/60Hz	L15-20
	RCR-436	Receiver, Starter Enclosure, Cable Connector Assembly, 460V/3PH/60Hz	L16-20
	RCR-536	Receiver, Starter Enclosure, Cable Connector Assembly, 575V/3PH/60Hz	L17-30
	RCR-115	Receiver, Starter Enclosure, Cable Connector Assembly, 110V/1PH/50Hz	L5-20
	RCR-215	Receiver, Starter Enclosure, Cable Connector Assembly, 220V/1PH/50Hz	L6-20
	RCR-235	Receiver, Starter Enclosure, Cable Connector Assembly, 230V/3PH/50Hz	L15-20
	RCR-335	Receiver, Starter Enclosure, Cable Connector Assembly, 380V/3PH/50Hz	L17-30
	RCR-435	Receiver, Starter Enclosure, Cable Connector Assembly, 440V/3PH/50Hz	L17-30
RCR-BW	Receiver, Starter Enclosure, Cable Assembly (Bare Wire)	N/A	

Product Image	Part No.	Description
	RCT-3-I/O	Transmitter, Radio Control, 3-Button (On - Off - Interlock)
	RCR-M-QC	Receiver, Radio Control, Quick Disconnect Plug
	RCT-MK-VTPG	Mounting Kit, Radio Control Transmitter (VT Pistol Grip)
	RCT-MK-VTMS-KIT	Mounting Kit, Radio Control Transmitter Holster, VT Mini/Standard
	RCT-MK-VBDC	Mounting Bracket, Radio Control Transmitter (VB)
